SALE DAY COVID-19 SAFETY PLAN

The Ram Sale is to be held On-Property at Kerin Poll on Friday, September 24th commencing at 12 noon. To avoid delays, we strongly encourage you to Pre Register with the Selling Agents (Bowyer and Livermore) via email office@bandl.com.au as a buyer by 5pm on Wednesday 22nd September. On the Buyer Registration form please also write down names/mobile numbers of people travelling to the sale with you. Names will be ticked off when entering. If you have not pre-registered, you will be directed straight to a registrations desk before you can access the Sale Day Facility. Please maintain social distancing of 1.5 metres and adopt good hand hygiene practices.

FOR WARD

THERE is one thing we are not afraid of at Kerin Poll and that's the science behind sheep breeding.

Top sheep backed with elite figures have allowed our business to move forward at almost break-neck speed, something we couldn't have achieved if we had denied the value of tools like genomics, MatSel and Australian Sheep Breeding Values.

The use of these tools allows businesses to march forward in an environment where adoption and implementation is

simply the most logical choice.

We have also harnessed some of the smartest minds in the industry in our quest to be the best performing Merinos in Australia.

Investing in the best genes which are backed by science, not hearsay or tradition, can lift your business quickly and effectively without giving anything away and that's what we know this year's draft of rams will do for your flock.

We also believe we have produced sheep which will fit the changing environment, turning climate challenges into opportunities with the main drivers being fertility and early growth.

The philosophy at Kerin Poll remains the same – if you win, we win – and this year's sale team is another great example of this relationship.

The offering has been lifted to 550 rams to allow everyone a chance to bid and secure their numbers, and it again will be the largest auction offering of Poll Merino rams in Australia.

Please note: the AVERAGE for the draft of rams is in the top 5 per cent of ASBVs for post weaning weight (PWT), yearling weight (YWT), fleece weight (YGFW) and in the top 10 per cent for early breach wrinkle score (EBWR).

You would find it difficult to go to a sale offering 100 rams, let alone 550, that would have this data set.

Some important things to notice in this catalogue include the consistently high Australian Sheep Breeding Values which lead the industry. These include:

- Catalogue average of +7.9 for post-weaning weight (PWT) or the top 5 per cent of the breed
- Catalogue average of +26 for yearly greasy fleece weight (YGFW) which is in the top 5 of the breed
- Catalogue average of +9.9 for yearling weight which is in the top 5 per cent of the breed.

(ASBVs are from MerinoSelect run date 21/7/2021)

The 550 rams averaged 90kg when they were weighed as they were lotted. All rams have been ran on grass and no self-feeders were used. All rams were treated with 6in1 and drenched with startect.

All rams shorn 3/05/2021

While movement might be restricted to our auction, please feel confident to bid freely, knowing not only do we stand by every ram we sell, but the figures do too.

And at this exciting time for the sheep industry, we wish you well in finding the genetics to move your business from good to great.

Energy requirement (MJ ME) for lamb growth from 25 to 35 kg liveweight			
Lamb growth rate (g/hd/d)	Energy per lamb per day	Days on Farm	Energy consumed per lamb
100	13	100	1300
200	17	50	850(53%)
300	22	33	726(79%)

- Nigel, Kate, Joe, Brett, Oliver & Georgia.

SALE INFORMATION

Inspection
Sale inspections from 6:30am. Pre-sale inspections by appointment always welcome.

Catering
Morning tea, light refreshments and lunch will be provided.

Fertility
The rams testicles have been examined at classing and are guaranteed to be ready for work. Should a ram prove infertile or incapable upon veterinary inspection within six (6) months of purchase, the ram will be replaced or refunded.

Delivery
All Rams will be delivered by Dick Smith Transport Australia wide free of charge.

Insurance
It will be the responsibility of the purchasers to insure their Rams if required which can be arranged through Bowyer & Livermore after the sale.

Outside agents
Will be offered a 2 % rebate by the vendor. All introductions have to be emailed to Bowyer and Livermore by 5pm on Wednesday 22nd September.

office@bandl.com.au | 02 6331 5166

Buyers instructions
Please complete the buyer's instruction slip provided on sale day by Bowyer & Livermore. No verbal instructions will be accepted.

GST
The Kerin Poll On-Property Ram Sale will be GST exclusive. GST will be added to the purchase price prior to invoicing.

Disclaimer
All reasonable care has been taken to ensure that the information provided in this catalogue is correct. However the vendor or the selling agent do not assume any responsibility for the correctness, use or interpretation of the information included in this catalogue.

WHAT ARE ASBVS?

Australian Sheep Breeding Values are an estimate of an animal's true breeding value based on pedigree and performance recorded information. They are essentially a projection of how that animals progeny will perform for a range of traits.

MERINOSELECT
ASBV

PWT (Post Weaning Weight)

Taken at 200 Days of age this ASBVs describe the animals' genetic merit for growth rate. A positive ASBV means the animal is genetically faster growing.

YWT (Yearling Weight)

ASBVs describe the animals' genetic merit for growth rate. A positive ASBV means the animal is genetically faster growing.

YFAT (Yearling Fat Depth)

- ASBVs describe the value of an animals' genes for fat depth at a constant weight – a negative ASBV means a genetically leaner animal.

YEMD (Yearling Eye Muscle Depth)

- ASBVs describe the value of animals' genes for eye muscle depth at a constant weight – a positive ASBV means a genetically thicker-muscled animal, and one that will have slightly more of its lean tissue in the higher-priced cuts

YGFW (Yearling greasy Fleece Weight)

ASBVs describe the value of animals' genes for wool weight a positive ASBV means a genetically heavier cutting animal.

EBWR (Early Breech Wrinkle)

Rams with a lower breech wrinkle (BWR) will produce progeny that have a lower degree of wrinkle in the breech area. A ram with an ASBV of -0.3 scores lower than the progeny of a ram with an ASBV of 0.

YFD (Yearling Fibre Diameter)

Lower negative fibre diameter (FD) ASBV's are generally desirable.

A ram that has an ASBV of -0.8 will produce progeny that are genetically 0.4 morons finer than a ram with an ASBV of 0.

TREND IN DATA

Kerin Poll Merino stud was established in 2009 with the goal to build the traits that made the terminal industry a success into the Merino breed, “fast early growth”, “fertility” and “doing ability”. 12 years on our data for post weaning weight is 130% above the Australian Merino industry average.

With the innovation of genomics/MatSel and technology we were able to fast track our data through the use of embryo transfer and artificial insemination. Resulting in our Merinos exhibiting outstanding growth pattens only previously seen in terminal breeds. This has allowed our clients to succeed in producing an animal with increased fertility and fast growth, allowing their flocks to create a faster turnover of product.

SEMEN RETENTION RIGHTS

Kerin Agriculture selling as Kerin Poll Merino Stud Retains semen rights on all rams sold on the following conditions:

1. The commercial rights to the semen of the animal sold are forever owned by Kerin Poll Merino Stud and the right of the Purchaser as to semen from the animal is limited to the use, naturally or by way of artificial insemination, on the Purchaser's own herd or flock. The Purchaser does not have any right to sell or otherwise commercially deal with the semen from or semen rights of the animal.

2. The names of all members of any syndicate, partnership or other joint arrangement of ownership of the animal by the Purchaser must be listed on the bidder card at registration prior to the sale.

3. The Purchaser (which includes all the members of any syndicate, partnership or other joint arrangement) does not have the right or legal ability to sell, lease, transfer or otherwise deal with fractions or portions of the Purchaser's interest in the animal and can only sell, lease, transfer or otherwise deal with animal as a whole.

4. If the Purchaser transfers the animal, whether by way of sale, gift or otherwise, then the transferee is bound by these rules and the Purchaser agrees to obtain the agreement of transferee to these rules and to guarantee the performance of the rules by the transferee to Kerin Poll Merino Stud.
